

Company and Speaker profile

Company: Investis

Investis are the market-leading specialists in providing corporate websites and online corporate communications services to listed companies worldwide. We provide online services to **more than 1,000 listed companies in over 20 countries**, from the smallest companies listed on high growth exchanges to more than 30% of Europe's largest companies that comprise the FTSE Eurofirst 100 Index.

We pride ourselves on our international footprint with offices in the UK, Finland, Germany, Italy and India **employing more than 250 in-house industry specialists** with Internet technology experience as well as extensive financial and communication knowhow.

Investis offer a flexible range of services from corporate websites, investor websites and intranets, to share price feeds and website tools, as well as document conversion and webcasting. In-house team of industry specialists, account developers, client website managers, website designers, builders and developers work in partnership with Investis clients to help them take advantage of the opportunities the Internet creates for communicating with their stakeholders.

In 2008 Investis launched the IQ corporate website benchmarking service – assessing a universe of more than 500 websites every quarter giving Investis clients and partners the most up to date perspective available on the state of the corporate website market.

In Russia, Investis has worked with major companies such as **Severstal, Mechel, TMK, CTC Media, Lukoil and Evraz**

Speaker: Rupert Spiegelberg

Rupert is a member of the Investis Board responsible for Group Strategy and Product Development. He has been at Investis since foundation in 2000 and has 10 years experience helping listed companies use the Internet to communicate their corporate message. Prior to Investis, Rupert was a financial journalist at Bloomberg News in London, Frankfurt and Paris as well as Vice President of the International Business Journalist Forum in Frankfurt. He speaks French, German and English and has an MBA from INSEAD.
